A handling workshop

with

Gerry Brown

**Oct, 22–24, 2010
Argus Ranch,
Auburn, WA**

Gerry Brown is a nationally and internationally-known agility competitor. He and his Border Collie, Sterling, are two-time national champions and members of the FCI Agility World Team.

Gerry teaches a variety of skills, so that all handlers — regardless of athletic ability—and dogs can have fun and be successful. One of his fundamental skills is in handling of the dog's path to gain lateral distance. Gerry uses positive and creative ways to motivate through proper and timely rewards.

With incredible patience, Gerry takes the time and effort to help each and every person understand and succeed.

**Friday & Saturday — Advanced/Excellent level
(Dogs must have at least one leg at the Advanced/Open level)**

**Sunday — Novice — Dogs just beginning to compete.
Dogs must be comfortable with all equipment.**
